THE OUTER BANKS VOICE

AS A COMPANY we are involved in our community from a service standpoint. We are members of the local Rotary Club, and the Outer Banks, Currituck and Elizabeth City Chamber of Commerces.

In the past 12 years, our stations have raised over **two and half million dollars** for various charity events.

Each year we donate over \$300,000 in airtime to local charities and public service events.

Members of our staff serve on many of the important boards and charities in this area. Like, the Outer Banks Hospital's Get Pinked Program, the First Flight Society, DARE CASA, the Outer Banks Chamber of Commerce Board of Directors and the Currituck Chamber of Commerce Board of Directors.
